The public... branch of study... but the one most important branch of all. What does it profit your son if he has an intellect like a Newton and is mentally an Admiral Crichton, if he has a weak and puny body and not the remotest idea of how to care for his health? A boy should be taught from the start that his health is his most precious endowment. Without health, all the talent, all the genius, and all the ambition in the world are worthless. A boy should be taught that success in any walk of life, that happiness, and life itself, are dependent upon his care of his health.

When a man feels that he is losing his health and vigor, when his cheeks no longer glow, his step is no longer elastic and the sparkle of health is no longer in his eyes, he should work less, rest more and resort to the right remedy to restore his bodily vigor. Dr. Pierce's Golden Medical Discovery is a natural medicine—a scientific medicine. It does no violence to nature. It works with and not against nature. It promotes the natural processes of secretion and excretion. It imparts vitality and power to the whole system. It gives plumpness and color to the cheeks, sparkle to the eyes, steadiness to the nerves, strength to the muscles and the animation of health to the whole body. It makes the appetite keen and hearty. It is the great blood-maker, flesh-builder and nerve-tonic and restorative. Medicine dealers sell it and have absolutely nothing else "just as good."

"I was afflicted with pimples and boils, and running sores on face and neck," writes Robert S. Wert, Esq., of No. 65 Galloway Ave., Columbus, Ohio. "I took Dr. Pierce's Golden Medical Discovery and Pleasant Pellets, and was cured."

Constipation is the commonest beginning and first cause of many serious diseases and it should always be treated with Dr. Pierce's Pleasant Pellets used in connection with the "Discovery." These are the most perfect natural laxatives and permanently cure.
